Re: Dabake Trust's Research Grant

We had a discussion with the Vice Principal Mr. Sachin Khedkar and Ms Meghana Kulkarni on 19th January in your college. We are happy to associate with your college for encouraging the research and innovation. We discussed about Dabake Trust, granting research scholarships to 2 M Sc. students of your college. Accordingly I am giving below our proposal for taking this further.

About Dabake Trust

Dabake trust is a public charitable trust formed by Late V P Dabake and Sunita Dabake on 16th April 1997 to carry on activities in fields of Education, Health, Arts, and Environment.

As a part of the endeavor, trustees have decided to fund research projects at postgraduate level in universities and colleges. The aim of this funding is to help the deserving students in science stream. The preference will be given to those students who want to develop technology for the betterment of the environment and enhancing the quality of human health and agriculture.

We would like your college to collaborate with Dabake Trust to execute selection, monitoring, and grant of research award to the deserving students. Prof V. G. Kshirsagar would be the coordinator for this activity on behalf of Dabake Trust.

We request you to give your approval for this initiative.

I have given below the draft guide lines which can be finalized after our discussion.

Thanking you,

Yours Faithfully,
For Dabake Trust

Research Grant for post graduate students sponsored by Dabake Trust (Draft Guidelines)

Preamble:

Dabake trust, is a public charitable trust formed by Late V P Dabake and Sunita Dabake on 16th April 1997 to carry on activities broadly in the areas of Education, Health, Arts and Environment.

As a part of the endeavour, trustees have decided to fund research at post graduate level in universities and colleges. The aim of this funding is to help one deserving students in each of **Physical and Biological sciences streams**.

The preference will be given to those students who are developing the technology for betterment of environment and enhancing quality of human health and agriculture that will be eco-friendly, easy to use and affordable.

Procedure for Selection/ Screening process

As an initial step, funding will be provided, for projects by individual or group of students. The selections will be done by a screening committee from postgraduate students.

Quantum of Grant

The grant will be to the tune of **Rs.25,000** each for 2 projects which could be enhanced for deserving projects, as per the recommendations of the screening committee.

Disbursement: as per need of the project and satisfactory progress approved by the committee. The audited statement of expenditure countersigned by the supervisor and Head of the respective department is mandatory

Duration/Tenure of the Grant

Normally for 1 year. Can be extended in deserving cases.

Progress reporting/ Monitoring

The candidate is expected to present his/her report of the work done, twice a year, to the screening committee.

Post completion

The awardee/s is encouraged to present their work in project competitions, conferences or any other suitable platforms.

Meeting conducted for a discussion regarding scholarships to be awarded by the Dabke Trust, Pune

A meeting was conducted in the office of Vice Principal Dr. Sachin Khedkar on the 19th of January 2018 at 11.00 am to discuss regarding scholarships to be awarded by the Dabke Trust, Pune. The following members attended the meeting:

1. Dr. Sachin Khedkar, Vice Principal, Non Grant Section Fergusson College (Autonomous)
2. Mr. Paranjpe representing Dabke Trust, Pune
3. Prof. V. G. Kshirsagar representing Dabke Trust, Pune
4. Mrs. Meghana Kulkarni, Head, Department of Microbiology, Fergusson College(Autonomous)

In this meeting information about the objectives and activities of the Dabke Trust were provided by Mr. Paranjpe and Prof. Kshirsagar. The duo expressed a desire on behalf of the Dabke trust to award scholarships to post graduate students of Fergusson College to conduct their dissertation work and come up with technologies aimed at improving human life in general. The trust is willing to support two such post graduate dissertations in the college. One from Biological Sciences (seen to include Microbiology, Biotechnology, Botany and Environmental Sciences) and another from Physicochemical Sciences (seen to include Physics, Chemistry, Electronics and Geology).

The selection, monitoring and award of the scholarships will be done through a committee constituting external experts and the activity is to be carried out at Fergusson College in collaboration with the Dabke Trust. An initial period of three years may be decided upon by the trust for the award of the scholarships after which a review of the activity will be undertaken. A grant of Rs. 25,000 will be provided to the two selected entries and the utilization of these grants could be made for consumables and also for attending conferences/symposia to present the research being conducted.

The trust has requested that the matter be approved on an urgent basis so that the activity may be implemented from this academic year, given that the period is conducive since most of the post graduate students conduct their

dissertations in the current semester. An initial screening of the dissertations may be performed at the departmental level to screen and select 4-5 projects to be presented before the committee for further evaluation in the form of a PowerPoint presentation detailing the objectives, procedures and technological output expected from the work. The awardees are expected to submit timely reports to be scrutinized by the committee.
